

PICKLEBALL CLUB OF KEOWEE KEY

March Update

3/15/2024

PB101 Refresher

As promised April 3 at 4PM there will be an opportunity for members to learn how to correctly use the VAPTR, Ball Machine, Dink Master, SPOND and JONAS. Members will also have an opportunity to stump the chumps and play against our pros and some advanced members. BYOB and bring a snack to share.

Please [CLICK HERE](#) to sign up. We will accept the first 50 people. The next clinic will be in June.

The VAPTR is for the member usage. Remember the courts will not be dried for you. If they are wet and you want to play you need to learn how to properly use the VAPTR.

Please scan the QR Code below to see this amazing machine in action.

PLEASE DO NOT USE VAPTR UNLESS YOU KNOW HOW!!

There is QR code on VAPTRs with the above video for proper usage. Pay attention to proper turning. The rollers and materials should last about two years if used properly. If misused it will cause an increase in our future budgets.

Spread the word - New member orientation will be March 15 from 4-6 PM

The Pickleball Club is looking for a few members willing to think outside the kitchen and brainstorm for a some additional FUN social activities we can provide throughout the year. If interested, please email Kim Shoulars (kcshoul4@gmail.com) or Chris Durick (chrisdurick0602@gmail.com) by March 24th.

DINK RESPONSIBLY AND HAVE FUN!!

Club Membership: 448

Welcome New Members:

Bruce & Laurie Churchill
Cynthia Garner
