### Back to Fall Times

On October 1st, block times will be adjusted to accommodate the cooler temps and shorter days. Open (Social) play will be from 9am-11am (M,T, Th, F, Sat). Tuesday evening Open play will still be 6-8pm. The courts assigned will continue to rotate from upper to lower level each week.

### A Classic is Right Around the Corner

Come support your Club members and many visitors to our community during our annual Classic tournament October 4th and 5th starting at 8am. The play will be top notch and the KK volunteers will make it proceed like clockwork.

### We Have More Champions

Lynn Chiappane and Kim Weber took gold in the Greenville Smash recently while Kathleen Fosha and Vicki Enos won silver in their division. Congratulations ladies.

### Ladies Raise Funds

The August ladies pickleball social was a huge success raising \$1,475 for Alzheimer's research. Almost 70 attended with a luau theme accentuated by Coronas and Margaritas. The ladies thank Larry VanderRoest, JJ Jacobs and Mike Sutton for their help.
