

## KEOWEE KEY PICKLEBALL CLUB UPDATE 3/25/19

### *President's Corner*

Greetings PickleNation.

A bulletin board has been hung in the Pavillion with a calendar of the block times posted. Please note that the Club does not control the block times. We make suggestions and the Committee makes the decisions. There are many times during the week that the courts have openings for reservations. These reservations are available to any resident. If the courts are reserved and there is an overflow of players, please remember that the tennis courts are also available and will provide four more courts. The nets are stored at the tennis courts and many members would be happy to instruct on court/net set up. Also note that if a court reservation is made, you have until 10 minutes post reservation starting time to occupy the courts. If the court is still unoccupied ten minutes post reservation time, it will be released to open play.

Beginning Monday, April 1st, Summer Hour Block Times go into effect. All block times begin and end one hour earlier than the current times. Please note that Ladies Social play 1 - 3 p.m. on Fridays changes to Fridays 9 - 11 a.m.

Your Club Board is working diligently to streamline and centralize the membership process. We need your help! We need approval by the members to make a by-law change that will ensure a smooth, seamless transition onto the roster for new members. This will enable them to be added to the email list and receive communications about social, training and competition events as soon as their application is processed. We hope we'll have your support in voting "YES" for the change described below. Please click the link to vote.

Please mark your calendars for our next interclub event to be held in the afternoon of Saturday, May 4. The last social interclub was a lot of fun so we hope you can make it to this one.
